THE RE-DEDICATION OF ENGLAND AS THE DOWRY OF MARY

On Sunday 29th March at 12 noon, The Re-dedication will take place throughout the country.

As King Richard II once gave England as a gift to Our Lady, so we are invited to give ourselves, as the people of this country, to Mary. We respond to this invitation on the day of Re-dedication in two ways; by making a personal promise and a communal entrustment.

Our personal promise brings us closer to Mary, the first disciple of Christ. In this we unite in her joy by following her openness to God's call. Our communal entrustment unites us together as the people of our country in prayer, by renewing the vows of dedication made to Mary by our ancestors.

The 33 days consecration to Our Lady, written by St. Louis-Marie Grignion de Monfort is a good personal preparation to this event. It can easily be found on the internet, e.g.:

<http://www.quies.org/True-Consecration-33-Day.pdf>,
or on printed copy available from one of your canons.

Missa Pro vitanda mortalitate

Oratio

Deus, qui non mortem, sed paenitentiam desideras peccatorum: populum tuum ad te revertentem propitius respice; ut, dum tibi devotus existit, iracundiae tuae flagella ab eo clementer amoveas. Per Dominum.

Secreta

Subveniat nobis, quaesumus, Domine, sacrificii praesentis oblatio: quae nos et ab erroribus universis potenter absolvat, et a totius eripiat perditionis incursu. Per Dominum.

Postcommunio

Exaudi nos, Deus salutaris noster: et populum tuum ab iracundiae tuae terroribus liberum, et misericordiae tuae fac largitate securum. Per Dominum.

Collect

O God, who desirest not the death of sinners, but their repentance, look mercifully upon Thy people when they turn unto Thee, that, while they show devotion to Thee, Thou mayst turn away from them the scourges of Thine anger, through our Lord.

Secret

May the offering of the present sacrifice, O Lord, we beseech Thee, assist us, that it may both absolve us from all our sins, and save us from the onslaught of complete destruction. Through our Lord

Postcommunion

Harken unto us O God, our Saviour, and Thy people free from the terrors of Thy wrath and secure in the gift of Thy mercy. Through our Lord

Further National Lottery Funding secured

Deo Gratias!

Our beloved landmark church has been awarded £362,900 by The National Lottery Heritage Fund to complete the restoration of the majestic dome and main sanctuary.

This architecturally ambitious basilica, built in 1933, the church dominates Wirral's skyline, and was nicknamed during the Second World War. Its distinctive green dome has been lovingly known as 'The Dome of Home' since mid-20th century, when sailors would see the church from the River Mersey. 'The Dome of Home' is one of the last iconic Art Deco buildings to survive redevelopment in New Brighton, whilst still retaining its original function, and continues to open its doors for everyone to enjoy.

Alongside the structural restoration work that will take place, the funding will also ensure that there will be exciting activities to enable specific members of our community to discover this historic gem for themselves. Working with partners such as Williamson Art Gallery, Wirral Borough Council, multiple care homes, community centres, and local schools and libraries, activities including a dementia friendly heritage package, a memory book and heritage talks will be delivered. Other activities include a Reformation Workshop for students, continued professional development for heritage workers, a conference for other churches interested in applying for funding and Heritage Open Day scaffolding tours and lectures. There will be something for all ages and abilities, and all happening in this wonderful building.

Previous projects have been phased since 2013 and supported through the National Lottery's Grants for Places of Worship programme, restoring two-thirds of the roofs. However, concrete bursting from the Dome ring is putting previous investment at serious risk, and water ingress threatens the historic fabric. During the last project, a large lump of concrete fell onto a repaired chapel roof, confirming urgency. Fortunately, contractors were able to 'patch' repair onsite. This new project will cover the Sanctuary barrel roof with a membrane, repoint brickwork, restore steel windows and cast-iron rainwater goods treating the structural concrete problems, making the whole church safe and watertight.

Canon Amaury Montjean from the Institute of Christ the King Sovereign Priest and Rector of the church is delighted. He said: "This is our biggest project yet, which has taken 18 months of careful planning by a committed team of people! Thank you everyone, from the architect and structural engineer, to the wonderful volunteers, supported by prayers to 'Our Lady of Good Success' from the congregation. We have a special 'Thank You cuppa' for all National Lottery players planned to accompany a recital of church heritage at The Williamson Art Gallery near the end of the project, so watch this space!"

Canon Montjean added, "Match funding is going well, but not yet complete. AllChurches Trust awarded £12.5k in March 2019 for this project and we have received £15k in private donations. We still have another £17k to raise and launch a further fundraising campaign today. »

The Dome of Home is recruiting more people to get involved in the activities, with the aid of Community Action Wirral. This contributes to helping Wirral become a Dementia Friendly Borough as part of their Action Plan pledge to help older people live well. Anyone interested in helping and joining the fun, please email contactus@domeofhome.org "
