**MORE VOLUNTEER STEWARDS ARE URGENTLY NEEDED** *for duty during church opening times, and to sanitise the church afterwards.*

Our Volunteer Stewards work to maintain a Covid safe environment at church. The church is not allowed to open without them. If you would like to join our team of volunteers working to keep our church open we would love to hear from you!

Please contact Canon Poucin or Joyce Ashton at [joyceashton1@btinternet.com](mailto:joyceashton1@btinternet.com)

We would like to thank the stewards whose dedication has allowed the church to remain open (before the current lockdown.)

Particular thanks and appreciation goes to **Joyce Ashton** who has volunteered over 100 hours of her time.

You certainly noticed that we are now running the heating system of the church on Sundays and also during the week.

To ensure that you will not be stopped by the frost to come and pray privately during the opening time of the church, we will continue to warm the church even during this second lockdown.

We would really appreciate your help to cover the extra costs of the heating of the church and presbytery, using the collection boxes at the entrance and exit of the church.

Thank you for your generosity!

## The Apostolic Penitentiary extends indulgence for the faithful departed throughout November

Due to the coronavirus pandemic and the need to avoid large groups from forming where prohibited, the Plenary Indulgence applicable to the deceased by those who visit a cemetery **has been extended beyond the normal dates** of 1<sup>st</sup> to 8<sup>th</sup> November. This year, the indulgence can be obtained by anyone who visits a cemetery, even if only mentally, on any day in November, and devoutly prays for the faithful departed.

For anyone who cannot leave their home for various reasons, including anti-Covid restrictions, they too can obtain the Plenary Indulgence by "uniting themselves spiritually to other members of the faithful". In this case, the condition of being "completely detached from sin" and the intention of completing the other requirements for obtaining a Plenary Indulgence remain. These conditions are Sacramental Confession, reception of Holy Communion and a prayer for the Holy Father's intentions.

**Don't forget to ask your Canons for the blessing of your family and friends' graves, during the Month of November**

## *Second lockdown:*

### *Excerpts of the statement from the Rt Rev. Mark Davies, Bishop of Shrewsbury*

“We appreciate the difficult choices faced at this time by government and parliament in responding to the public health crisis conscious of the hardships which even necessary measures bring for society and especially the most vulnerable.

“The Prime Minister mentioned in his statement that he judged it necessary to close much that is judged by the Government as being non-essential in society. We need to be sure that such judgments are based upon clear evidence that, for example, schools, universities and the football premier league will continue as essential elements of our society’s life.

“The Prime Minister made no reference in his statement to public worship so we were astonished to find in national guidance that the Government was seeking the authority of parliament to close all places of worship.

“It is a momentous act for any political authority to seek to ban public worship across a nation.

“No evidence has been offered to justify why the Government seeks to ban public worship that invariably takes place amid some of the most stringent Covid safety measures in the whole of society.

“The vital role which public worship has for the well-being of hundreds of thousands of people in this Shrewsbury Diocese together with faith communities across the nation can never allow public worship to be dismissed as something non-essential.

“Neither can we lightly overlook how from public worship flows support for the most vulnerable and countless charitable activities in the service of the common good.

“We are asking our Government and political representatives to provide the evidence on which they seeking to impose a ban on all public worship in England. We believe that public worship is not part of the problem we face rather it is part of the solution to this deeply human crisis.”

*+ Mark, Bishop of Shrewsbury, 1st November 2020*
