Dear Faithful,

Fatima 1917-2017

Last week, we spoke about the first Angel's apparition, we are very glad to continue this week the discovering or rediscovering of Fatima's apparitions. This Sunday, let us tell you the second apparition.

Sometime during the summer of 1916 the three cousins, the blessed Francisco and Jacinta and Lucia, were playing in the heat of the day in the garden near the well behind the Santos home in Aljustrel. Lucia describes how the angel appeared to them once more, chastising them for their lack of spiritual seriousness.

"Suddenly we saw the same angel near us.

What are you doing? You must pray! Pray! The hearts of Jesus and Mary have merciful designs for you. You must offer your prayers and sacrifices to God, the Most High.

"But how are we to sacrifice?" I asked.

In every way you can offer sacrifice to God in reparation for the sins by which He is offended, and in supplication for sinners. In this way you will bring peace to our country, for I am its guardian angel, the Angel of Portugal. Above all, bear and accept with patience the sufferings God will send you."

This apparition renewed the same profound effect which the first one had on them. Francisco, who throughout the appearances of the angel and Our Lady would see but not hear, was unsuccessful in prying from the girls the words which the angel had spoken until the following day. Lucia tells us,

"The Angels' words sank deeply into our souls like a gleaming torch, showing us Who God is, what is His love for us, and how he wants us to love Him too; the value of sacrifice and how it pleases Him; how He receives it for the conversion of sinners. That is why from that moment we began to offer Him whatever mortified us."

Dear Faithful, our rosary is a great means of prayer as well as all the sacrifices we accept for love!

God bless you,

Canon Cristofoli your rector.
