

ANNO DOMINI 2021

*30 Years of the Institute*

INSTITUTE OF CHRIST THE KING SOVEREIGN PRIEST

Cover : Thirty years after the first canonical recognition in Mouila, His Excellency Matthieu Madega Lebouakehan, president of the episcopal conference in Gabon, ordains a deacon for The Institute of Christ The King

Below : Eight new novices around the Mother Superior and the Novice Mistress in Naples.

Dear friends,

In a world of violence, hatred and disorder, the Pope calls us to be ‘*tutti fratelli*’.

We know that this will only be possible if all receive the truth of Christ and His charity: ‘Without me you can do nothing – *Sine me nihil potestis facere*’ (Jn XV, 5). At Gricigliano, we work to form priests of the one Church of God who will give us the grace of the sacraments so that one day we can truly be ‘*tutti fratelli*’.

‘The impartiality of law and the true brotherhood of man were first asserted by Jesus Christ; and His apostles re-echoed His voice when they declared that in future there was to be neither Jew, nor Gentile, nor barbarian, nor Scythian, but all were brothers in Christ.’ (Leo XIII, Encyclical *Libertas præstantissimum*).

Please pray that Our Blessed Lady might help us to carry out this beautiful mission for you, dear faithful!

May you have a happy and holy year, under the protection of the *Virgo fidelis* and *Mater gratiae*!

God bless you!

M<sup>sr</sup> Gilles Wach,  
Prior General.

Visit of His Excellency Stephan Ackermann, bishop of Trier, for the 800<sup>th</sup> anniversary of religious presence at Maria-Engelport, in Germany, now a house of our Sister Adorers.

*Inasmuch as divine love adorns the soul, it is called grace. Inasmuch as it strengthens us to do good, it is called charity. When it has reached a degree of perfection at which it makes us do good carefully, frequently and promptly, it is called devotion.*

*Consider how uncertain is the day of your death. My soul, one day you will leave this body. When will it be? In the city or in the country? Suddenly or after due preparation? Unfortunately, you know nothing whatever about all this. Only one thing is certain: we will die - and sooner than we think.*

# INSTITUTE OF CHRIST THE KING SOVEREIGN PRIEST

The Institute of Christ the King Sovereign Priest is a Society of Apostolic Life of Pontifical Right, composed of secular canons, seminarians, oblates and sisters. The principal patroness of the Institute is Our Lady the Immaculate Conception. It also honours as secondary patrons:

- Saint Benedict, due to the importance given by him to liturgical prayer and the relationship between faith and culture.
- Saint Thomas Aquinas, guide of the intellectual formation of our seminarians.
- Saint Francis de Sales, owing to his spiritual teaching, centred on divine charity and accessible to all.

The goal of the Institute is the glory of God and the sanctification of its priests in the service of the Church and of souls. Its specific end is the diffusion of the reign of Christ in all areas of human life.

The Institute counts more than one hundred and twenty priests and nearly one hundred seminarians and oblates. Numerous diocesan priests are affiliated to the Institute and many lay people also make up our spiritual family. Our Sister Adorers, who now number over sixty, support the ministry of our priests by their prayers and sacrifices.

The Institute of Christ the King Sovereign Priest is an apostolic community. Its members work in a variety of contexts, including in parishes and education. They also exercise their apostolate with young people and preach retreats. In all of their endeavours, they seek to promote the vast panoply of supernatural and human values on which Christian civilization was founded.
