

SUPPORT THE SEMINARY SAINT PHILIP NERI
OF THE INSTITUTE OF CHRIST THE KING SOVEREIGN PRIEST

The seminarians of the first year during their retreat in Switzerland

Dear friends,

At the beginning of this academic year, we had the joy of welcoming 22 new seminarians, 3 of whom were from the United Kingdom. The community now has more than one hundred seminarians in formation at Gricigliano or in our houses around the world: about thirty of them have joined our apostolates since September... because there are no spare bedrooms in Gricigliano! We had to

install two new bedrooms in the common rooms to allow seminarians to stay there.

We entrust all these vocations to your prayers, so that they may respond to the Lord's call to follow and serve Him.

We again urge your generosity to support us, especially through regular offerings, which, although seemingly modest, help us so much to meet the costs of formation.

We assure you of our prayers for you and entrust you to the Immaculate Conception.

In Christo Rege,

The community of Gricigliano
